

A POLICY ON A HURT-FREE ENVIRONMENT

To this end, we aim to establish a community in which everybody feels valued and safe, where individual differences are appreciated, understood, accepted and respected. Every boy has a right to enjoy his time at school.

The community does not tolerate violence, unkindness or harassment. Respect for others is expected.

Cordwalles aims to:

WHAT IS BULLYING?

Bullying is any repeated behaviour intended to hurt, injure, threaten or frighten another boy in such a way that the boy feels that he cannot do anything about it. Bullying is:

- Abuse of power
- Randomly applied
- Continuous
- the bully intends to hurt and belittle the victim

WHAT IS CONFLICT?

In conflict the participants are frustrated and unable to communicate in order to resolve an issue. Conflict happens where:

- there is perceived equal power
- Participants are reactive and feel they can respond
- Characterised by intense episodes with clear reasons for the conflict

HURTFUL BEHAVIOUR

Hurtful and unkind behaviour comes in many forms, including:

- Calling hurtful names
- Being picked on
- Deliberately pinching, hitting, bumping
- Teasing
- Spreading rumours about someone
- Mocking

- Threatening
- Deliberately ignoring and avoiding
- Taking or damaging property
- “Dissing” meaning: putting someone down
- Sending inappropriate messages on cell phones and over the internet

WHAT TO DO IF YOU ARE BRING HURT

1. Tell the boy to stop. State quite clearly that the behaviour is unwelcome, you don't like it and it is hurting you.
2. Walk away and stay away from the boy.
3. If it continues, seek help. Talk about it to someone you trust.
4. Report it to a staff member, a Grade 7 boy or another boy.

**There is nothing so awful that
we can't talk about it with someone**

**Evil flourishes when
good men do nothing**

WHAT TO DO IF YOU KNOW SOMEONE IS BEING HURT OR IF YOU ARE A BYSTANDER

1. Care enough to do something about it whether it affects you personally or not.
2. Early intervention can diffuse a situation before it gets out of hand.
3. Make sure the person being unkind or hurtful knows that you do not support his behaviour by:
 - walking away
 - telling him to stop
 - protecting the victim
 - report it to a member of staff, your parents, a Grade 7 or another boy.

HOW STAFF DEAL WITH BULLYING – THE “NO BLAME” APPROACH

The school will use this approach when dealing with cases of alleged bullying:

1. Interview the victim and suggest strategies to deal with the situation
2. Arrange a meeting for all involved
3. Explore the problem without allocating blame
4. Share responsibility
5. Identify solutions
6. Let the boys take action themselves
7. Follow up at a later stage

It should be noted that if the perpetrator continues with this type of hurtful behaviour, more stringent sanctions will be imposed and counselling will be suggested.

TO PREVENT UNKIND AND HURTFUL BEHAVIOUR

Each boy needs to:

1. Respect himself and others.
2. Work to create a pleasant school environment for all.
3. Learn to tolerate individual differences.
4. Support the School policy on hurtful behaviour and bullying.

The school will do the following:

1. Life Skills Lessons:

During these lessons we explore feelings and how to deal with them and we look at how to combat bullying and conflict in the school setting. The course is designed to assist boys to discover more about themselves as well as helping them deal with conflict situations.

2. Cordies Families:

In these tutor groups we explore many different aspects of how we interact with one another and our world.

3. Hurtful behaviour and Bullying Survey:

A survey is carried out each year which looks into hurtful behaviour and bullying.
